Science Gateway

- Modeled after the STEREO Science Center at <http://stereo-ssc.nascom.nasa.gov/>
- Separate from the main RBSP website which is primarily an EPO site
- There will be links between the main RBSP website and the Science Gateway
- Similar look and feel between the Science Center and the main RBSP website however w/ a different banner so user can tell the difference
- Initially will be hosting the original Science Data Portal and relevant portions of the main “Science” tab on the RBSP Science Gateway
- URL will be posted when site gets populated

Science Gateway Prototype

Radiation Belt Storm Probes Mission
